

# *At MusicMakers!* *Summer Camp,*

*Music Education = Academic Excellence.*

In times when funding for arts programs in public, private, and community sectors is being decreased or eliminated completely, **MusicMakers! Summer Camp** continues to offer a thorough general music curriculum for ages 6-14. Now celebrating its 15<sup>th</sup> Anniversary Season, **MusicMakers!** will give your child the musical background he or she needs to become a well-rounded, confident, and creative thinker in a nurturing, noncompetitive environment.

We offer instruction in healthy singing, keyboard, woodwinds, percussion, string orchestra, music theory, musical fitness, drama, & optional beginners' guitar.

With Spirit Days, Arts & Crafts, water balloon wars, recitals, & free finale concerts, every child has an opportunity to shine. Our 2012 Themes are: Session I (June 18-29) - "Disney Spectacular!" & Session II (July 2-13, closed 7/4) - "Black Light Summer Night" (original production).
